Subject: wal-mart bank

Dear Sir,

I do not want Wal-mart to start their own bank. They could discount the credit card fees that is paid by Wal-mart to zero & that would not be fair to all other businesses. Surely there is some kind of law about conflict of interest when starting banks. I believe it would amount to having your cake & eating it too! FDIC was not started to help build a monopoly & that is what a Wal-mart Bank could make happen.

Thank You for your time,
